

The Canadian Personnel and Industrial Relations Journal, 1970

THIS INDEX has been compiled so that quick and simple reference may be made to important articles which have appeared in the 1970 edition of the *Canadian Personnel and Industrial Relations Journal* and its satellite *Canadian Training Digest*.

All major articles are listed alphabetically in the titles under which they originally appeared in the JOURNAL. Such things as news items, book reviews and editorials are not indexed, though guest editorials are, and some smaller articles of use for reference are included.

The author index is alphabetical and the numbers cross refer to the title of the articles listed in the main index.

Major subjects are listed and numbers refer to the main index also.

Numbers given articles in the main index continue from those in the index for the first nine years of the JOURNAL, published in January, 1964 and continued each January thereafter.

May we remind you again that the JOURNAL has been microfilmed from June 1954, to the present and prints are available for \$35 for the entire collection to date (including 1970) from the CP & IR Journal, Suite 616, 74 Victoria Street, Toronto 210, Ontario.
